Venue	Board Room		
Reference	Circular dated: 02/07/2025		

The committee meeting commenced with a welcome address by the IQAC Coordinator to all the members present. The chairman introduced the new members to the committee. The coordinator presented the agenda along with the recommendations and requested the Chairman to initiate the discussion on the agenda items. Each agenda point was deliberated upon, and appropriate resolutions were adopted accordingly.

Agenda:

1. Review of last meeting minutes.

Resolution: The previous meeting minutes were read, reviewed, and ratified by the members

2. Community Service Projects and Student Internships

Resolution: The community service projects were carried out by the II Year students during the summer vacation, and the internships were completed by the III Year students. The coordinator informed the members to instruct the respective coordinators to complete the evaluation of the CSP and internship activities.

3. Board of Studies and Academic council meeting

Resolution: As the classwork for the second semester has commenced, the coordinator requested the members to submit the finalized syllabus and the BoS minutes. The principal announced that the Academic Council meeting will be conducted within 15 days after the completion of the BoS meetings.

4. Academic Audit

Resolution: The coordinator informed the members that the academic audit for the previous semester will be conducted in the last week of July. The members were also informed that the semester readiness process has been completed.

5. AQAR preparation

Resolution: The Coordinator explained the AQAR process and discussed the qualitative and quantitative metrics with the members. It was informed that the AQAR will be submitted to NAAC by the end of December 2025.

6. NBA work status

Resolution: The Department of CSE is preparing for NBA accreditation, and the NBA visit is expected in September. The HoD of CSE discussed the progress of NBA-related work, and the members appreciated the efforts undertaken by the department.

7. AISHE and NIRF

Resolution: As part of the regular process of filling data in AISHE, the Principal explained the AISHE parameters to the members and assured that the work would be completed on time. The Data Capturing System (DCS) of NIRF will be opened in the month of January, and the Coordinator informed the internal members to instruct the faculty to submit the required details for NIRF in time.
